

Priority Target

Arc40K

One objective in the centre of the table.... Game on

Primary Objective

Kill Points

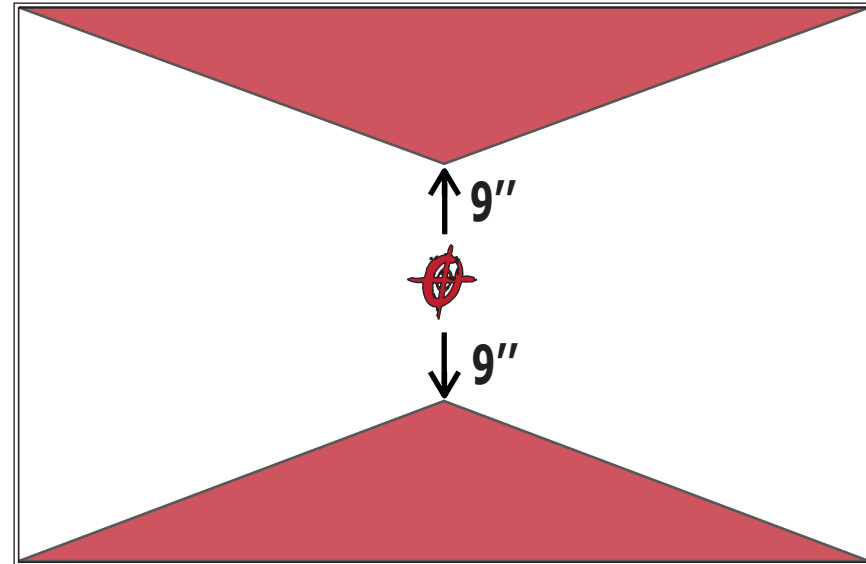

Starting the Second Battle Round, score the following at the end of your **Battle Round**:

Destroy 1 Enemy Unit, Score 5VP's

Destroy 2 Enemy Units, Score 5VP's

Destroy more enemy units than your opponent this turn, Score 5VP's

The Primary Objective can score a Maximum of 45VP's for the Battle

Secondary Objective

Precision Strike - End Game

Before the game, identify your opponent's 4 most expensive units.

These are your Priority Target

At the end of the game score 4VP's for each of the of those units you destroy.

Any Titanic units will score you 8VP each.

Each Player will also choose 2 more secondary objectives from the Grand Tournament Mission Pack 2022 and/ or Army Codex

Each Secondary Objective can score a MAXIMUM of 15VPs for the Battle
